Since I haven't heard anything from my Superior Court case, I'll assume that I'm on call for your trial tomorrow (as well as for the Springfield District Court cases). Just to make sure you have my cell phone number, it's [REDACTED]

I have been in discussion with his attorney and the police about resolving the case. Unfortunately, I will not know if the case will be resolved until 9/29. I understand if you are in another court. If I receive any additional information prior to Wednesday I will make sure I let you know. I believe I have your cell phone, if necessary.

Thanks!
Jim

ADA Channing-

I'm wondering if there have been any changes in the [REDACTED] case scheduled for trial on Wed., Sept. 29, 2010 that affect me? I'm curious as I am supposed to be on call for 2 other district court cases (in Springfield) that day as well. I also wanted to give you a heads up that I found out this morning that I have a Superior Court case scheduled in Springfield for tomorrow (Sept. 28th) and, depending on how long the trial goes, I am not sure when I will be needed to testify. I have already informed that ADA about your case and a possible problem of me being 2 places at once, so if you would please let me know where your case stands, it would be greatly appreciated. Thank you.
